**Love Heals.
Joy Transforms!**

This was the very first message and teaching I received from the Dolphin Consciousness (affectionately named 'Dolphin' throughout this document) when my journey with them began in 1996. I think most humans would agree – dolphins are pure LOVE and JOY!

It's exciting to realize that it's not necessary to be in the physical presence of dolphins to receive their healing Love and transformative JOY! Their healing Love, transformative Joy, and expansive Consciousness transcends time, space, and physicality.

Dolphins are master healers who receive great JOY in helping us humans heal, grow, and evolve into greater love and connection with All of Life.

What is Dolphin Energy?

Dolphin Energy is ... the frequency of **Joy**

of **Movement**

of **Creating Flow** ...

flow of **Love**

flow of **Abundance**

an **Opening of the Heart**

... as **never before!**

What is Dolphin Energy Healing?

It's exciting to realize that it's not necessary to be in the physical presence of dolphins to receive their healing and transformative gifts! Their healing Love, transformative Joy, and expansive Consciousness transcends time, space, and physicality. Dolphins are master healers who receive great JOY in helping us humans heal, grow, and evolve into greater love and connection with All of Life.

- Dolphin Energy Healing is a **deeply respectful, highly advanced form of spiritual energy healing** performed by the Dolphin Consciousness (affectionately known as “Dolphin”) and facilitated by a certified Dolphin Energy Practitioner.
- Dolphin Energy Healing is not about fixing something that is wrong. Rather, it is about **nurturing the wholeness that already exists within** and bringing that wholeness to the surface.
- There is an order and flow to Dolphin Energy Healing that is orchestrated by Dolphin – not the practitioner. Dolphin Energy Healing is an **unwinding process**. Dissonant energies within the receiver’s physical body and energy field are identified, and then transmuted or released *in divine order and timing*.

- You will receive the same energy that you would receive if you were [swimming with the dolphins physically ...](#) and often more!
- Linda's sessions are [virtual](#), by telephone or Zoom.

What Can I Expect from a [Dolphin Energy Healing Session](#)?

“It is our desire to heal the hearts of humanity – all of humanity.”

- Dolphin

- [Heart-healing](#) ~ Do you want your heart to be more healed and whole? More open? Do you want more love in your life?

Heart healing is an area of specialty of the dolphins – both the physical heart and the spiritual heart. As our hearts heal and become more whole, we are better able to give and receive love in our lives, starting with ourselves. Your entire quality of life will improve when your heart is more healed and whole.

- [Fill Your Cup!](#) ~ Are you feeling overwhelmed, depleted, directionless, or depressed? Fill your cup with Dolphin love, joy, insight, and inspiration. Dolphins hold the vision of a JOYful and LOVE-filled life for all of us. If you're not living in Love and Joy much of the time, Dolphin would love to support you in filling you up and raising your frequency, so that you can attract more of what you desire into your life.

- [Whole Being Healing](#) ~ Are you seeking the return to health, well-being, and wholeness on the physical level? emotional? mental? spiritual? All of the above?

Dolphins are master healers. They do not work in a linear way, on one issue or one area at a time. The dolphins are holographic and multi-dimensional. They can make adjustments on multiple levels simultaneously. The more open you are, and the more permission you give, the more they can do in a session.

- [Whole Brain Functioning](#) ~ Throughout the 20+ years I have spent sharing Dolphin Energy Healing with my fellow humans, I have noticed that they work a lot on our brains. A term I often hear, during a session of this nature, is “whole brain functioning.”
- [Transformation](#) ~ The very first teaching I received from Dolphin was: *“Love Heals. Joy Transforms!”* The frequency of Joy is a transforming engine. Joy raises your base frequency and elevates your awareness to a higher state of being. From this higher state of consciousness, perceptions shift in a heartbeat, and transformation occurs quickly and easily. Dolphin Energy Sessions are deeply transformative!

Receiving a *Dolphin Energy Healing Session* is a wonderful way to begin your journey with the Dolphin Consciousness!

For chronic or long-standing issues or conditions, investing in a series of sessions is optimal.

How Do I [Schedule a Session?](#)

It's easy! Go to the [Services](#) page on our website, which will walk you through making your payment, scheduling your session, and downloading the *pre-session tip sheet*. Please read this document before receiving your session. Thank you!

Thank you for your interest in Dolphin Energy Healing. I look forward to sharing Dolphin's healing Love and transformational JOY with you soon!
